## SACRED HEART COLLEGE

### EDUCATION WITH HEART

#### Join Our Innovative Teaching Team at Sacred Heart College!

Sacred Heart College is a Catholic, Marist Brothers' School founded in 1889 and located in Observatory, Johannesburg. It is distinguished among independent schools for its strong commitment to building an inclusive society in South Africa. Our diverse environment encourages the integration of children and teachers from a variety of ethnic, religious, and economic backgrounds.

Sacred Heart College is looking for a **Grade 8-12 Information Technology Teacher** who is passionate about education and eager to contribute to a dynamic and forward-thinking learning environment.

#### GRADE 8 -12 INFORMATION TECHNOLOGY TEACHER

To Commence **January 2027**

#### Applicants should meet the following requirements:

We seek to employ a person who:

- Is a dynamic, enthusiastic, and experienced teacher.
- Has an appropriate university degree and professional qualification.
- Has an innovative and progressive approach to teaching Information Technology.
- Is able to innovate and teach Coding to Grade 8 and 9 pupils.
- Has expertise in Java Programming.
- Has thorough content knowledge of the IEB IT curriculum.
- Has the vision to identify and take advantage of the opportunities offered by the new curriculum.
